NAUTILUS HYOSUNG

MONiMAX 5000 CE

Simple, compact and cost-competitive with enhanced SSL performance. The Monimax 5000 CE offers unparalleled value.

Features

TCP/IP with SSL Support

Monimax 5000 CE includes built-in TCP/IP with Secure Socket Layers (SSL) for extra security while connected to the Internet. This new connectivity feature provides a direct connection without additional boxes, adaptors or converters. The result? A more affordable product that saves both time and money.

Capacity from 1,000 to 6,000 Notes

Customize a dispenser profile based on the volume of transactions at each Monimax 5000 CE site. This ATM is an ideal solution for multiple locations with various dispenser needs. Configuration can include the standard 1,000-note cassette or up to three optional 2,000-note cassettes for a maximum of 6,000 notes.

Quick Pick Lotto Software Ready

The 5000 CE is capable of being loaded with Linq 3's proprietary Quick Pick Lotto software. Quick Pick Lotto capability can be upgraded to existing CE models already installed, or added to new ATMs you order.

Superior quality, security and value.
Only with Nautilus Hyosung.
Now offering the most complete line of financial and retail ATMs.

linq3

The 5000 CE is Quick Pick Lotto Software-enabled.

Back-lit topper shown is an additional option.
